June 28, 2018

Dear Parent,

Welcome to Primrose Schools Senior Secondary Division. This is a critical stage of your ward's education which decides their career. The school would like to establish expectations on the roles and responsibilities of the children and parents.

## Curriculum

- ISC curriculum is based on National Educational Standard which competes with many International Boards.
- The curriculum is deep and focusses on application of knowledge, enabling the children to face the world confidently.
- The knowledge provided is superior and require a lot of attention.

## Attendance

- A minimum of 95% attendance is mandatory for a child to take up the board exams.
- Avoid absenteeism, unless it is critical.
- Leave letter duly signed by the parent is essential when the child returns from a leave.
- Sick leave will require a medical certificate.

## Classwork

- The children are expected to be attentive during the class and take notes of the content delivered.
- They are expected to clarify their doubts with the teacher then and there.
- Any additional help required should be intimated to the Teacher immediately.
- If the child is absent, he or she is expected to set up time with the teacher to cope up with the missed portions.

## Homework

- The child is expected to finish the homework or worksheet and submit to the teacher without any excuses on the dates assigned.
- Not submitting homework or worksheet on time reflects lack of time management or too many distractions, which could lead to poor academic performance.
- Repeated default on the homework will demand a meeting of the parent with the Principal with explanations. (P.T.O.....)

---

### Parent Consent Form

I agree to support the regulations of the school for the academic benefit of my child. I declare that the decision of the school on the subject selection of my child will be final.

Parent Name: \_\_\_\_\_ Student's Name: \_\_\_\_\_

Signature: \_\_\_\_\_

## **Communication**

- An individual WhatsApp group will be created for the class to rectify the doubts with their teachers.
- The exam marks of the weekly test and the other examinations will be sent through the email along with the scanned copy of the answer sheet.
- The home works and the homework defaulters will be intimated through the SMS.

## **Board Exams**

- As per the National Councils direction, Class XI evaluation is classified under board exam.
- The children will be taking up the board exams during the month of Feb – March 2019.
- They will be taking up the Class XII board exams in the month of Feb – March 2020.

## **Subject Choice and registration for the board exams**

The children of Class XI were offered the subjects based on their choice and performance in Class X. Since the children will be appearing for the board exams in Class XI, the performance of the ongoing Weekly tests is vital. We will evaluate their ability and potential using the tests.

The child is expected to secure a good percentage in the exam mentioned above. If the child is unable to score well, the school will not allow the child to pursue the subjects preferred. An alternate subject based on the potential of the child will be offered and the same will be registered for the ISC examination in the month of August. No further excuses and extension will be allowed for betterment.

We request the parents to ensure the child performs well in the Weekly test and the Mid Term Exam. The parents are expected to check the mail for the scanned copy of the exam papers and monitor the progress of the child.

We request your cooperation.

Regards

Principal
