## THIRD LANGUAGE OPTIONS

Dear Parent,  
Warm greetings from Primrose Schools!

### Third Language Policy for Class V to VIII

**Third Language:** In line with our CISCE policy, we are including third language right from Classes V to VIII. The purpose of introducing third language is to familiarize the child with an alternate language and improve his/her ability to communicate socially with people from other regions.

- Natives of Tamil Nadu: Choose Hindi or French (Second Language will be Tamil)
- Students from Other States: Choose Tamil or French (in case if you have chosen Hindi as second language)

Please note, there will be no change in third language option once selected till Class VIII. There will be no third language from class IX onwards.

We are sending a tear-off slip along with this circular for you to select your child's third language option. As we need to consolidate this requirement, we request you to send this slip back to us on or before 17<sup>th</sup> June, 2019. Your quick response on this will be highly appreciated.

We have always strived to provide the best learning experience to the children. We are positive this will make our children face the world with confidence.

Regards,

  
Principal
