## PRIMTALENT EXAMINATIONS AND

### LAUNCH OF CENTRALISED ACADEMIC EXCELLENCE TEAM

● “Education is not the learning of facts, but the training of the mind to think” - Albert Einstein

Dear Parent,

The school in its effort to improve the academic rigour, has formed a Centralised Academic Resource Team which will be responsible for overseeing the academic execution and examination process. The think tank comprises of HODs, Subject Matter Experts (SMEs) and Educational Consultants who will be responsible for creation of question papers both for Primtalent examinations and school Summative Assessments.

This initiative, we believe will take us to the next level of improving our childrens' knowledge to meet national talent examinations. We also believe this method will set a standard for every teacher to provide her best to

● meet the national level requirement in academic excellence.

We have already sent the brochure for the Second Primtalent Examinations which will be conducted national level from this year. We have invited more than 2000+ schools across India to participate in this competition.

We request the parents to use this opportunity for your child to participate in National Primtalent Examinations.

Regards

  
Principal
