*Ad Infinitum*

A PRIM ROSE SCHOOLS EDITION

Dear Parents,

“Education is not preparation of life; education is life itself.” John Dewey. Education begins at birth and continues through life. We are providing hands to our children so they continue learning and developing towards becoming healthy individuals. The students must be equipped with the skills required to face the challenges of future. They can do it easily if we can make the surrounding stimulating and purposeful.

I am very much happy to share the colourful events of this month. October is an exuberant Month with lot of activities and enjoyments. There's no doubt that the Primrose always strives to provide the best to the students, having the board exams round the corner, we felt the urge to strengthen the concentration of the children without much stress. A professional sound therapist came up with strategies to help our children reduce the stress and learn the art of concentration.

We always believe in creating leaders, a leader should be someone who not only shows the way but also goes the way. Leaders of our school stood together contributing to the Fit India Movement walking their talk with pride.

As we stroll through the month with a lot more of social and academic activities, we did make sure to enjoy the light of Diwali. Diwali celebration made our day, the rhythm, the tunes and stories shared by our little ones were brighter and louder. Every event at Primrose brings in a great learning experience, the children tasted the essence of sharing sweets to the needy. It was amazing to see my children spread their love too.

Primtalent exam has now spread its wings and become Nation-wide. It's very important to build a competitive spirit in the children to take up the challenges with a positive spirit. Primtalent is one such platform provided to our children to compete with their fellow students with the right spirit. Many students across the nation participated in the Primtalent English and Science Exam enthusiastically.

"An investment in knowledge is the best interest," one such investment began on the auspicious day of Vijayadasami. The ceremony of Vidyarambham (Vidya means "knowledge", arambham means "beginning") this day is considered auspicious to begin the process of learning.

Yoga is a popular form of exercise and meditation; it helps our body to relax and soothe our mind. We at Primrose organised a yoga camp at district level. Students from all over Tamil Nadu participated in the camp. K.M. Akshitha of class XI represented our school at the National Level competition and is selected for SGFI.

Technology may take over and give us a life of luxury yet we still are rooted to our traditional games. Our children thoroughly enjoyed the trip to "Gramathil oru naal". Bullock cart, games like Skid tree, pot breaking, Hopscotch, wet field, Pot making, will remain in their minds forever.

Marching forward with a confidence to reach great heights.

Regards

Principal

Primrose Schools.

**“Where words leave off, music begins....”**

## **ART OF CONCENTRATION**

Allow things in your life which makes your heart sing, feed your soul or nourish you on a daily basis, children of classes X and XII listening to the rhythm of their heart.

Music therapy, helps the children of classes X and XII to reduce the stress and improve their concentration.

# Let's take oath!

## CLEAN INDIA MOVEMENT

" Sanitation and hygiene starts with you and me"

The teachers and Students of primrose joined their hands for a cause. The ECR witnessed a human chain formed by the primrosians for plugging the plastic waste at the injambakkam beach....

“One step to cleaner and fitter India”

## FIT INDIA MOVEMENT

*" Being fit is not a destination, it is a way of life."*

The teachers and Students of primrose once again joined their hands, and this time It's "FIT INDIA MOVEMENT". They emphasized that "FIT INDIA" is a tool for people to live a fitter, happier and a healthier life.....

It's lights, lamps and our little ones.....

## DIWALI CELEBRATIONS - KG

Our little ones sparkled like lights and lamps, as Diwali was in the air in October.

We, not only shared sweets and savouries but we shared a lot of laughter, joy and happiness..  
We tasted Diwali with a buffet of dance, songs, plays and it went on and on.....

**“This Diwali filled our school with the light of joy and happiness”**

## **DIWALI CELEBRATIONS**

### **– PRIMARY & MIDDLE SCHOOL**

Connecting with the Divine through a sincere prayer on a pleasant occasion to receive the blessings.

Diwali celebrations changed our primary wing to a garden with colourful flowers all around. A mesmerizing dance performance by the children of class II.

The rhythm of the anklets and the grooves of the little ones lit the lights of our heart and soul, fulfilling our Diwali.

# DIWALI CELEBRATIONS – HIGH SCHOOL

Our high school children sparkled like crackers in the celebrations of Diwali.....

**“Age is not how old you are”**

## **OLD AGE HOME VISIT**

*“ Old age is just a record of one's whole life ”*

Palavakkam, Vishranthi

Our class X children experienced one of the most loving moment which they would cherish for rest of their lives.

Primrose inculcates the true spirit of value based learning, by giving them a real life experience of love, sharing, helping and so on. They were taken to an old age home, where Grandmas showered them with blessings!

**“We became bigger and better”**

## **PRIMTALENT**

**An initiative taken by Primrose has never failed to strive success. This time the primtalent was not only beneficial to the primrosians but to all the schools across the country... We had more than 1000 participants across the country who became a part of primtalent and made this event a nation wide success.**

# Education is a stepping stone to success.....

## VIDHYAARAMBAM

*Primrose blends modern thoughts with traditional values...*

Vijayadasami is marked as one of the most auspicious day in our country and so does the Primrose Schools....

We mark new admissions with the blessings of goddess Saraswati and Mother. The tiny tots experience a whole new way of admissions on this day by becoming a part of Primrose Schools in a traditional way.... They write on sand, rice and grains accompanied by their parents.....

# Yoga is a science of well-being

## YOGA CAMP

### SGFI Yoga Camp, training

Primrose enables the children to witness various aspects of growth.....

A yoga camp for training was organized by Primrose Schools this year. Children from various districts became a part of this camp and were trained for the nationals..

# YOGA NATIONALS

K M Akshitha of class XI of Primrose Schools made us proud as she got selected for SGFI held at Yoga nationals, Ranchi.

# Field trips are fun and frolic at Primrose Schools

## Field Trip

Grammathil Oru Naal – Class VII and VIII

Students of class VII and VIII experienced the essence of being a villager

The children were exposed to the culture of village games. They were amazed to experience the life of village children for a day....
