A PRIMROSE SCHOOLS EDITION

Greetings!!!

I hope this note finds you in good health. I wanted to steal a few moments of your time to inform you about the significant events that took place at our school in the month of January. First and foremost, I wish you all a delightful new year, and I hope this year brings an abundance of success and glory to everyone.

Our school celebrated Pongal by hosting various cultural events and activities highlighting Tamil Nadu's rich past. The festivities began with a traditional Pooja, in which students and faculties assembled to worship the sun deity, who is said to provide wealth and abundance in the next harvest season.

We had a range of events, including a traditional dance competition, Rangoli competition, and singing, drawing and colouring competitions. In addition, we had a bullock cart on our school grounds for students to experience the ride. It was a small initiative to make our students experience Tamil Nadu's rich culture.

In a continuous effort to encourage students' health and fitness, a medical camp was recently held for the children at our school. All school pupils were welcome to attend the camp. The local hospital took tremendous efforts in providing medical assistance to our children. The camp was organized in the auditorium of the school, and it was staffed by a group of skilled medical professionals, including doctors, nurses, and medical assistants.

Yet another exciting programme organized by our school was the 'Field Trips'. To keep the students interested in their studies and keep them motivated, we organized field trips for all of our school students. Pupils across all classes were taken on field trips to destinations like The Birla Planetarium, Dakshina Chithra, The Sea Shell Museum, and The Adyar Echo Park. It was a fantastic experience for all of our students.

Last week of January, we celebrated the 76th Republic Day at our school campus to display our patriotism for our country. On Republic Day, our students participated in a number of events, including March Past, Dance, and Speech. So far, it's been an incredible journey for all of us at Primrose Schools, and we're looking forward to a fantastic year ahead.

Thank you,  
Principal

# International Students Sports Carnival

It is always a great achievement when students from our school excel in sports. This young athlete worked hard to perfect her skills and represent not only herself but also our school and country on the global stage.

Class 6 student Diya participated in the Track and field events at the International Students Sports Carnival. She has won 1<sup>st</sup> Place in 100 Mts, 2<sup>nd</sup> Place in 200 Mts and 3<sup>rd</sup> Place in Long Jump. She will represent our school at the international sports meet organized in Dubai.

# Pongal Celebrations

The Pongal celebration at our school is a time not just for students to exhibit their talents, but also for the entire school community to join together and celebrate Tamil Nadu's rich cultural heritage. It was an excellent chance for students to learn about Pongal rituals and traditions embracing India's cultural variety.

# Pongal Celebrations – Bullock Cart

The bullock cart is an important aspect of the agricultural heritage of Tamil Nadu, and it is traditionally used to transport people, crops, and goods from the fields to the market. Our school pays tribute to this tradition by organizing a bullock cart ride during the Pongal celebration. The ride features beautifully decorated bullock carts, which were adorned with sugarcane and other decorations.

# Pongal Celebrations

## KG-II

Another notable Pongal event is the traditional dance competition, in which our students from various grades displayed their abilities by performing various dances. The audience was treated to a visual feast as the dance acts were complimented by live music.

# Pongal Celebrations

III -V

The singing performances were truly a delight to the ears as the students showcased their vocal abilities. Their beautiful voices echoed throughout the auditorium, creating harmonious and melodious sounds.

# Pongal Celebrations

## VI -VIII

The dance performances by middle school students were way too impressive, as the students displayed their grace and fluidity, with intricate footwork and well-coordinated movements.

# Field Trip – Class IV Sea Shell Museum

The students of Class IV were able to explore the museum and learn about the various types of sea shells, their characteristics, and their habitats. They also learned about the important role that sea shells play in the ecosystem and the impact of human activities on the sea and its inhabitants. The field trip to the Sea Shell Museum was a unique opportunity for the students to learn about marine life and the importance of preserving our oceans and their inhabitants. They also gained a deeper appreciation for the beauty and diversity of sea shells and the role that they play in shaping our world.

# Field Trip – Class V Sea Shell Museum

The students of Class V recently went on a field trip to the Sea Shell Museum in Chennai and it was a unique and enlightening experience. The Sea Shell Museum is a one-of-a-kind museum that showcases a vast collection of sea shells from around the world.

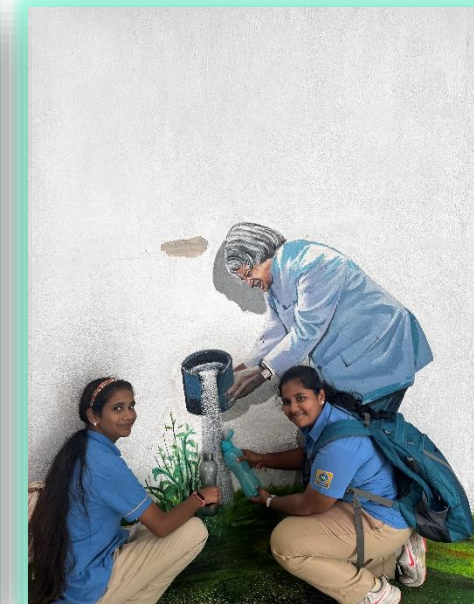

# Field Trip – Class VI Adyar Eco Park

The students of Class VI recently went on a field trip to the Adyar Eco Park and it was an enriching and educational experience for all involved. The Adyar Eco Park is a well-known place that is known for its pastoral beauty which helps to develop the skills needed to make wise environmental decisions and how to take responsible actions against ecological issues.

# Field Trip – Class VII Sea Shell Museum

The students of Class VII were able to explore the gallery in The Sea Shell Museum and view a variety of paintings, sculptures, and other works of art. They were guided by experienced tour guides who shared their knowledge and insights about the various 3D artworks on display. The students were fascinated by the intricate details and rich history behind each piece, and they learned about the various styles, techniques, and artists who make up the world of art more realistic.

The medical camp was recently hosted for the students at our school in an ongoing effort to enhance student health and wellness. The camp, which was organised in collaboration with Healtree hospital (Neelangarai), was open to all our school students. The camp was held in the school's auditorium and was managed by a team of competent medical experts, including doctors, nurses, and medical assistants.

# Republic Day Celebrations

We celebrated Republic Day on the grounds of our school to show off our pride in our country. The school prayer was followed by our students' courageous Marchpast to begin the day.

# Republic Day Celebrations

*Happy  
Republic Day  
Day*

Our children took part in a variety of activities on Republic Day, including the March Past, Dance, and Speech. We at Primrose Schools are looking forward to a wonderful year because the experience so far has been incredible.

# Republic Day Celebrations

The republic day celebration at our school is an opportunity for all members of the school community to come together and honour the rich cultural heritage of our nation in addition to giving students a chance to showcase their skills. It is a wonderful opportunity for students to embrace India's cultural diversity while learning about patriotism.

# Republic Day Celebrations

To help our children remember the day more fondly, teachers collaborated to create performances like a patriotic dance skit during Republic Day, which was amazing.
