A PRIMROSE SCHOOLS EDITION

A warm greetings,

“You are reborn with the roses, in every spring.” said **Juan Ramón Jiménez**, a nobel laureate poet in English Literature. Our students bloomed brighter this spring and spread their fragrance everywhere they went. They won many prizes in scholastic and co-curricular activities.

Celebrating women-hood is not about just sharing pleasantries rather providing insights from age old intelligence – Ayurveda and enable them to lead a high performance life. Ayurvedic doctor, Meera Sudheer was invited for a wellness session to help the young birds to fly higher.

The 43rd All India Karate championship held at Pondicherry saw the expert karate skills of our students and we landed up winning 42 prize positions in the tournament. This was indeed a great exhibition of success where we also won the overall championship award.

Our high school students visited the international city Auroville, to explore the yogic principles of Shri Aurobindo and the divine city of Mother. Coupled with visit, the students also went to the ashram to get the blessings of Shri Aurobindo and the Mother for their successful journey in life. They also had fun in the park and beach to relieve their stress and to perform well in their exams.

To bring out the entrepreneurial skills of our children , we encouraged our students to do a start-up business by selling food items prepared at their home. This food carnival by the class VI students brought out their innate marketing, negotiating and selling skills. They tasted profit first time in their life and they were very excited about it.

“Education makes people easy to lead but difficult to drive; easy to govern, but impossible to enslave.” Our primrose family always educates our students with knowledge, inspiration and perseverance in order to make them as successful entrepreneurs of the future.

Anna University - National Science Day Competition

A glimpse of our budding engineers and scientists who bagged prizes in Quiz and Drawing competition happened at Anna University. Our students also participated in an Essay Writing competition under the topic "Global Science for Global Well being" Our champs never missed an opportunity to amaze us with their talents.

Women's Day Celebrations

Women's day celebrations started with the sparkling participation of our female faculties

The incredible contribution and hidden talents of women has to be recognized with proper appreciation

Celebration of womanhood was done right with the active participation of our teaching and non-teaching faculties of primose famiy.

Field Trip to Pondicherry

Class IX,X & XII

An educational field trip was arranged for both high and higher secondary students

Education is not only about exams and mark sheets. Our students always love to have different exposure to experimental learning. The trip to Auroville, mother's ashram in Pondicherry made them to enjoy the bliss of nature along with values preached by mother

The children also visited Gandhi park and astounding beauty of the Pondicherry beach to relax and to have a pleasant experience with the mother nature

Food Carnival – Class VI

Food making is an art, this statement was being proved by our students with their innovative food preparation during the food festival.

Food Carnival – Class VI

Our students are always fond of making experiments with everything. The food festival given them sufficient place to make their tests on various ingredients and some of them were mastered in this process.

43rd All India Karate Championship – Pondicherry

Class III to V

Our Students added a feather to the cap of our glory by participating under categories "Kata" and "Kumite" and secured 42 winning positions in total out of which 22 were gold and 20 were silver medals. They had also taken Overall Championship Award.

Orientation Program – Children Graduating from Primary to Middle School

Orientation program was held for the beneficiary progress of our students who are promoting from secondary to higher-school.

Our respected principal had given a warm welcome to the students and shared some inspiring thoughts for the new-joiners

Orientation Program – New Joinees for Academic Year 2023
