Diwali Celeberations

A captivating journey where the spirit of Diwali is illuminated through the universal language of dance by the Grade IX boys and girls, uniting hearts in joy and celebration.

The day made every one Immerse in the enchanting world of Diwali performance, where every movement is a rhythmic ode to the festival of lights.

Diwali Celeberations

Draped in colors, adorned with smiles – students lighting up Diwali together! The joy that spread throughout the campus with hands joined and mind together for a common purpose!

"Books take a backseat, and Diyas take center stage as students celebrate Diwali joyfully!

The sound of laughter and bursting of Cracker turned out to be a static breaker in the Primrose Premises.

Diwali Celeberations – Food Provisions

Spreading smiles with every donation, because kindness is contagious! The Student Council members are always on their toes to spread the act of kindness.

"Sharing love, one donation at a time. Join the movement of kindness and compassion! This serves to be the main motto of Primrose Schools. An overwhelming response from the students donating the essentials on the auspicious occasion to 'All the Children' Trust.

Diwali Celeberations – Distribution of sweets to teachers

"Sweets and smiles go hand in hand when expressing our gratitude to the incredible teachers who shape the futures of many young minds! The School Principal distributed the Sweet to the teachers of Middle Schools and High school

The wonderful teachers of High School and Middle School, celebrating the sweetest moment with the School Principal and other members of Primrose Schools.

STEM Introductory Workshop for Science Teachers

STEM Workshop - Organized by the Department of School Education at St. Bede's Anglo Indian Higher Secondary School.

Teaching STEM is not just about conveying information; it's about nurturing curiosity, fostering creativity, and building the foundation for a future driven by innovation.

In the world of education, STEM isn't just an acronym; it's the key to unlocking the future. This workshop is the bridge that connects educators to that future.

Children's Day Celebration

A teacher takes a hand, opens a mind, and touches a heart. On Children's Day, let's salute the incredible teachers who make a lasting impact on the lives of their students.

The dedication extends beyond the classroom, reaching into the hearts of students, leaving an indelible mark on their lives.

Teachers: the silent architects of dreams, the sculptors of potential, and the guiding stars of countless journeys. Happy Children's Day to those whose performances create a symphony of brilliance in the lives of their students.

In the words of Albert Einstein, "It is the supreme art of the teacher to awaken joy in creative expression and knowledge." On Children's Day, we extended our heartfelt gratitude to the teachers who, through their performance, awaken this joy in the hearts of the young minds they guide.

The teachers' influence always creates a ripple effect, shaping a brighter and more promising future for generations to come. The teachers on the stage influencing the students through their spellbinding performance.

THERUKOOTHU ANCIENT ART OF TAMIL NADU

Theru Koothu, a cultural tapestry woven on the streets, tells tales of love, valor, and life's intricate dance.

A teacher's influence can never be erased; it's written on the hearts of the students they inspire. On Children's Day, we celebrated with the invaluable contributions of teachers in shaping a brighter tomorrow.

Through 'Theru Koothu', teachers of Department of Tamil bridged between the old and the new with a vibrant expression to shape our cultural narrative.

The stage is their canvas, and happiness is their masterpiece. The day witnessed flamboyance as children paint the air with the colors of sheer joy through dance!

"Little stars were shining bright on stage, their dance a reflection of the overwhelming happiness filled everyone's heart with joy.

"Dancing on clouds of happiness, these children create a magical spectacle on stage, where every step is a testament to their pure joy!

Revision Plan preparation for Grade IX Students

Planning is the foundation, and execution is the structure.

Together, they build the pathway to success.

Our School Principal demonstrating the need for planning.

The beauty of planning lies in its adaptability; the strength of revision lies in its commitment to continuous refinement.

Grade IX students are strengthening their commitment by giving a revision plan.

Planning is the blueprint of success; revision is the fine-tuning that ensures perfection in execution.

Students of Grade IX imbibed the blueprint and marched towards their prepartaion for forthcoming Examination.

Revision Plan preparation for Grade XI Students

The Equation to Success!

Achievement = Preparation + Dedication.

Setting clear goals, organizing tasks, and creating a roadmap...

However, the journey doesn't end there.

The school Principal explains about the concept of Revision and planning to the students of Grade XI.

The Process called Fine- Tuning!!!

Revision is the constant refinement of the plan—a reflective process that allows for adjustments, improvements, and fine-tuning.

Together, planning and revision create a powerful synergy, transforming aspirations into reality by fostering adaptability, foresight, and continuous improvement. The students of Grade XI ended up with an improvised study plan to reach the highest pinnacle in their Grade.

Revision Plan preparation for Grade XII Students

Planning and revision are the dynamic duo of success. Just as a meticulously skilled architect designs blueprint before a construction. effective planning groundwork lays the for achievement. The School Principal guided the Grade XII students to plan ahead for the upcoming board exam.

Sweat, sacrifice, success.

The trilogy of exam preparation unfolded its way into the minds of every student who drafted their schedule for triumph.

The pen is mightier than the stress when backed by thorough preparation. The school Principal preparing the students of Grade XII with a set 20/4 study cycle to conquer exams with confidence!

Use of Environmental Friendly Products - An Awarness Seminar for our Sub-staff

In a world drowning in plastic, the importance of embracing biodegradability cannot be overstated. It's a small choice for us, a giant leap for the Earth.

An awarness programme through a classic seminar by the student of Grade XII - Ms. Sathya as part of her Environmental Science Project.

Ms. Sathya of Grade XII emphasises on the fact that choosing biodegradable options is not just a matter of personal preference; it is a collective responsibility towards the health of our planet. we need to contribute to a cleaner, healthier Earth, and pave the way for a more sustainable future

Online Class - IX to XII

Online classes redefine the traditional classroom, transcending physical boundaries and bringing education to the digital realm.

In this virtual landscape, students and teachers connect from various corners, fostering dynamic learning methods.

Despite the absence of physical presence, the virtual classroom cultivates a sense of camaraderie, bridging the gap between educators and learners overcoming the barrier that the natural calamity built.
