Message from the Chairman...

"The teacher is not an instructor or Taskmaster; he is a helper and guide" –
Sri Aurobindo

I believe the role of teacher in this modern world is not to instruct but guide the children. Every child is unique and expand their knowledge based on their innate nature.

In Primrose, knowledge is not thrust from outside, but it is lovingly nurtured from within. The children are guided to learn from the far and the near.

We provide a positive and happy ambience for the children to learn at their own pace. Beyond curriculum, we lay emphasis on character building and upholding high moral values, preparing our children to become confident and global achievers of tomorrow's world.

With the blessings of The Mother, let's join hands in creating better leaders for a better world.

- Mr. M. Nandagopal
Chairman
