Christmas reminds us of the importance of giving and sharing with friends and family. Through Christmas, we know that the birth of Lord Jesus is the symbolic of new beginnings. It is an opportunity to think about nature and the reason for our existence. The popularity of this festival across people of different faiths is a great unifier.

UNITY

Creating a Unity Tree is an interactive and hands-on activity, a shared experience in which anyone can participate and everyone can watch the tree grow. Here are our Kids of class 3 children attached each of their fingers to the tree to demonstrate that when they work together, they can create social change.

UNITY

The Unity Tree is a powerful symbol reminding everyone that bullying can be prevented when we all come together – united for kindness, acceptance and inclusion.
