A PRIMROSE SCHOOLS EDITION

# RUBIK COMPETITION

**Solving a Rubik's cube can begin as a curiosity for some and eventually become a hobby. Nevertheless, it improves focus, attentiveness, and problem-solving abilities. Learning to solve a Rubik's cube requires a lot of patience and willpower. It takes a long time, but it is ultimately quite gratifying.**

# RUBIK CUBE WINNERS CLASS 4

## 1<sup>st</sup> Prize

Our champs held a face-off match grade-wise, and their speed with precision for algorithms was awarded. Master Kavin Kannan, got the first place award in the Class IV Boys category.

Primrose provided our children with an opportunity to showcase their speed-solving skills in a battle of wits and dexterity. Master Sai Darsan, won the first place in the category of Class V Boys.

The atmosphere during the competition was both intense and supportive, with competitors pushing themselves to achieve their personal bests. Miss Keerthana won second place in the category of Class V Girls.

The audience was left in awe of the remarkable talents displayed by our student participants. Master Sri Ranjan won second place in the category of Class IV Boys.

Witnessing the winners' lightning-fast solving techniques and exceptional problem-solving skills left a lasting impression and inspired audience members to start "cubing" in hopes of competing in the next competition! Master Jaishan won the first place in the category of Class V Boys.

## 3<sup>rd</sup> Prize

This competition highlighted the importance of logical reasoning, spatial awareness, and strategic thinking - skills that are valuable not only in solving puzzles but also in various real-life situations. Master Agastyan won third place in the category of Class V Boys.

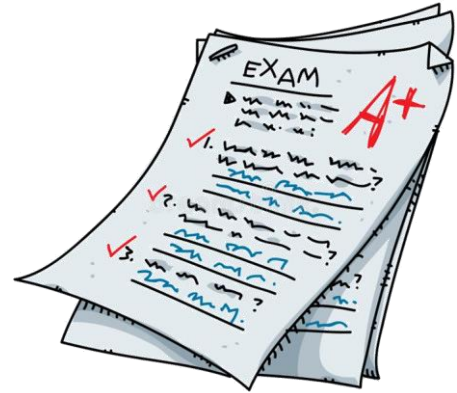

The Rubik's Cube competition showcased the extraordinary talent and potential of our students while also inspiring others to explore the world of puzzles and problem-solving. Master Darish won third place in the category of Class V Boys.

Miss Dakshatha secured third place in the category of Class V Girls. We extend our congratulations to all the participants and winners for their outstanding performances.

# SA-3 EXAMINATION

**Exams are an integral part of a student's academic journey, and they play a crucial role in assessing a student's knowledge, understanding, and skills. Exams provide a measure of a student's progress, identify areas that need improvement, and help students develop essential skills such as time management and critical thinking. Students of Primrose appeared for SA-3 exams to assess their level of progress of the year.**

# SA-3 EXAMINATION

**By performing well on exams, students can achieve academic success and gain a sense of accomplishment, which can lead to a boost in self-confidence and motivation. Added to that is the eager anticipation of results and the subsequent start of a new academic year ( 2024 – 2025 ) in April,2024.**

# WOMEN'S DAY CELEBRATION

International Women's Day is celebrated annually on March 8<sup>th</sup>. This day holds immense importance in today's educational landscape. Various schools nowadays strive to foster an inclusive and empowering environment. Commemorating Women's Day has become a vital component of shaping a future generation that values gender equality and acknowledges the contributions of women across various fields. At Primrose, Women's Day was celebrated as a show of respect towards its lady staff members.

# WOMEN'S DAY CELEBRATION

**A scintillating dance drama was performed by students followed by a group song tuning to the melodies of women as ray of hope and light.**

# WOMEN'S DAY CELEBRATION

**Students performed a skit on National Leaders Of India which conveyed an inspiring message to the women of this generation to be women of courage, compassion and care at the same time not forgetting to be a self reliant and an independent woman.**

# WOMEN'S DAY CELEBRATION

**Students acknowledged women's achievements in all sorts of services. The day also emphasizes gender equality and women's rights. Women and men have been compared across time based on factors such as income and education. Women, on the other hand, have made significant progress and broken down all barriers throughout time. Our Primrosians beautifully dressed up as Indian leaders to highlight women's strength and achievements.**

# PARENT ORIENTATION

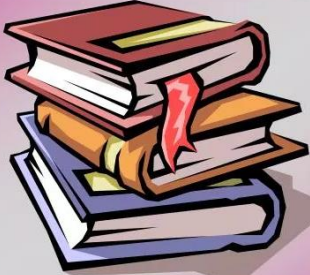

**Primrose's Primary orientation sets the stage for a successful academic year. The program had covered a presentation on briefing the parents about the school's vision, mission and philosophy and an explanation of the Primary curriculum and co-curricular activities, which emphasize math skills, language skills, motor skills and a lot more. For teachers, it's a chance to lay the foundation for a positive relationship with families and ensure that everyone is on the same page when it comes to expectations and goals for the school year.**

# PARENT ORIENTATION

Welcome to Parent Orientation

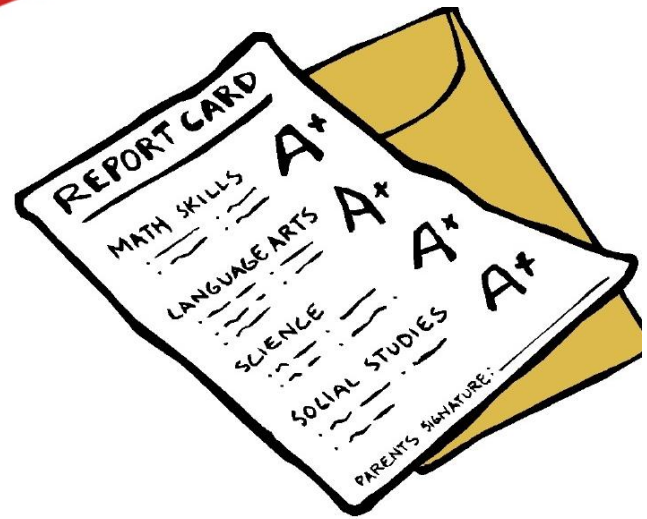

**A speech by the Principal was based on effective parenting tips, safety tips, and health and nutrition tips for the children, which made the program all the more fruitful and enlightening.**

**The plan had a main manual illustrating the flow of the event along with a description of the activities in detail. Also, it included all the necessary resources for the event such as Invitation Card for Parents, Director & Principal's Speech, Display and Decoration ideas, Handouts on Role Play Enactments & Role Play Situation Chits, PPTs, Music Files and lots more.**

# OPEN DAY

**At Primrose Schools, we firmly believe in the power of collaboration between parents and teachers to ensure our students' holistic development and academic success. Parent-teacher meetings (PTMs) are pivotal in fostering open communication, building relationships, and creating a supportive educational environment.**

# OPEN DAY

**Term -3, PTM had conducted in Primrose to create a better future where every kid may realise their full potential by promoting collaboration, respect, and understanding.**
